| 5          | Commercial surcharge  | 1,000 / per item per use |

\* The charge for the soft copy of the digital image will be calculated on the basis of the number of images ordered plus the number of DVDs used for storing the images. Additional charges are payable if more than one DVD+ / DVD- is used for storing the digital images. For example, if you are ordering 10 images and 2 DVDs are used for storing the images, the charges should be the costs for 10 digital images plus the cost for 2 DVDs.
